## PLAN YOUR DRIVE

- Pick dates and highly visible drop-off locations
- You can request food drive boxes from Second Harvest or decorate your own sturdy containers to personalize your food drive
- Get creative! Set up friendly competition amongst teams or departments. Host a "Food War" between Peanut Butter Team and Jelly Team, etc.
- Determine a prize for the winning team!

## SET A GOAL

- Decide on a target — pounds of food, number of items, or dollars raised
- Make it ambitious but realistic for your group size and timeline
- Share your goal with participants to keep everyone motivated

## SPREAD THE WORD

- Promote the food drive throughout the event
- Tag Second Harvest in your posts
- You can find a food drive flyer on our website.
